Beton her türlü tasarımınızda kullanabileceğiniz evrensel bir malzemedir. Tasarımlarınızda ön planda durabilir ya da tamamlayıcı unsur olarak arka planda mükemmel gözükecektir. Çeşitli ebat ve renklerden yapılmış Concretta beton panellerimiz ile mekan tasarımlarınızda yaratıcılığınızın sınırlarını zorlayın.

Creation

Creation

Concretta is a universal material. It can play the lead role, but it is also excellent in the background. The way you use it in a room depends only on the design because thanks to concretta's architectural concrete slabs there are no limitations to space design any more. concretta's architectural concrete means ready-made prefabricated elements made of concrete in a variety of sizes and colours.

Creazione

Il calcestruzzo è un materiale versatile. Può giocare il ruolo principale, ma è ottimo anche come lo sfondo. Ora, il suo uso dipende solo dal progetto, perché grazie alle lastre del calcestruzzo architettonico concretta, non esistono più i limiti nella creazione di spazio. Il calcestruzzo architettonico concretta sono gli elementi pronti, prefabbricati in calcestruzzo in una varietà di dimensioni e colori.

Gestaltung

Concretta ist ein sehr vielseitiger Baustoff. Dieser Baustoff kann bei der Gestaltung sowohl eine Haupt-wie auch eine Nebenrolle spielen. Die Art und Weise seiner raumtechnischen Nutzung hängt nur von dem gegebenen Entwurf ab, denn dank dem architektonischen Beton concretta werden der Gestaltung keine Grenzen mehr gesetzt.
Bei dem architektonischen Beton concretta handelt es sich um Fertigbauteile aus Beton in unterschiedlichen Größen und Farben.

Kreowanie

Concretta to materiał wszechstronny. Może zagrać w roli głównej, ale znakomity jest także w tle. To, jak zastosujecie go w pomieszczeniu, zależy już tylko od projektu, bo dzięki płytom z betonu architektonicznego concretta ograniczenia w kreowaniu przestrzeni przestały istnieć. Beton architektoniczny concretta to gotowe prefabrykowane elementy z betonu w różnych rozmiarach i kolorach.

Dört ana renk , panellerin çeşitli şekil ve ebatları ile özgür tasarımlar. Concretta ile bir mekanın havası malzemelerin mevcudiyeti ile değil tasarımcı tarafından belirlenir.

Freedom

Freedom

Four colours and various shapes of slabs. Prefabricated compositions or absolute freedom. Raw minimalism or an amusing installation. Thanks to concretta, the nature of a room is determined by the designer, not the availability of materials.

Libertà

Quattro colori e diverse forme di lastre. Composizioni pronte o libertà completa. Minimalismo rigido o installazione divertente. Grazie alla concretta, il progettista è colui che decide del carattere di spazio e non la disponibilità di materiali.

Freiheit

Platten in vier Farben und verschiedenen Formen. Fertige Strukturen oder beliebige Gestaltungsmöglichkeiten. Strenger Minimalismus oder freche Installation. Dank concretta hängt der Charakter des Raums nicht von den erhältlichen Baustoffen sondern einzig und allein von dem Entwurfsplaner ab.

Wolność

Cztery kolory i różne kształty płyt. Gotowe kompozycje albo pełna dowolność. Surowy minimalizm albo zabawna instalacja. Dzięki concretta

o charakterze pomieszczenia decyduje projektant, a nie dostępność materiałów.

İçinde yaşadığımız mekan yaratıcılığınızı ve özgürlüğünüzü canlandırır. Bu nedenle, bir odaya en temel özellikleri kazandıran duvarlar çok önemlidir. Benzersiz olmalarına izin verin!

Inspiration

Inspiration

The interior in which we live may arouse creativity or mute emotions. Therefore, the walls that impart the most essential features to a room are so important. No matter how they affect the atmosphere – let them be unique!

Ispirazione

L'interno, in cui viviamo, può suscitare la creatività o calmare le emozioni. Pertanto, le pareti che creano il carattere di ambienti sono così importanti. A prescindere dall'influsso che hanno all'umore - siano uniche!

Inspiration

Räume, in denen wir leben, können in uns entweder Kreativität wecken, oder wilde Emotionen abklingen lassen. Deshalb sind Wände, die den Räumen ihren Charakter verleihen, von wesentlicher Bedeutung. Unabhängig davon, auf welche Art und Weise sie auf uns einwirken sollen, ist eins klar – sie sollten einzigartig sein!

Inspiracja

Wnętrze, w którym przebywamy, może budzić kreatywność albo wyciszać emocje. Dlatego ściany, które nadają pomieszczeniu charakter, są tak ważne. Bez względu na to, jak mają wpływać na nastrój - niech będą niepowtarzalne!

Colours

Concrette plakaların renkleri ve dokuları mekanın atmosferine ve aydınlatmasına göre değişebilir .Bu broşürün çekimi sırasında kullanılan profesyonel foto malzemeleri renklerde hafif ton farkı yaratmış olabilir.

The colors and textures of Concrette slabs may differ depending on the atmospheric and luminary conditions. As a result of the above mentioned factors as well as several restrictions related to the printing process, colors in this brochure may differ from factual findings.

I colori e la finitura della superficie delle lastre concrette possono variare a causa delle condizioni climatiche e di illuminazione.
Per questi motivi come anche a causa dei limiti posti da processi tipografici, i colori riprodotti nel dépliant possono differire dall'originale.

Die Farben und die Oberflächenstruktur der concrette-Platten können sich je nach Witterungs und Lichtbedingungen voneinander unterscheiden. Aus den vorgenannten Gründen sowie wegen der Beschränkungen im Zusammenhang mit dem Druckprozess können die Farben in der Broschüre vom Ist-Stand abweichen.

Kolory i faktura płyt concrette mogą różnić się zależnie od warunków atmosferycznych i świetlnych. Z wyżej wymienionych przyczyn oraz z powodu ograniczeń związanych z procesem drukarskim, kolory w tej broszurze mogą różnić się od stanu rzeczywistego.

Technical information

- Made of pure cement , quartz and organic ingredients.
- Zero chemicals such a polyester resin, plastic and asbestos free.
  Due it s cement based, it is 100% odourless and no risk for health.
- Naturally, Fire rating is A grade Non Combustiblle .
- Main montage method is by glue on to any sustainable surface.
- For exterior and ceiling applications, screws support can be done in addition to glue.
  Easy to process and cut by regular carpentery tools. No need for wet cut.
- Special self surface protection prevents concrete dust.
- High UV resistance, water-resistant.
- Panel Size
- Ready to use concrete panEL

  Serial products 60 cm x 120 cm

  thickness 8-11 mm (+-%10) with a weight of 8-15 kg/sqm

  Special production up to 130 cm x 250 cm
- Suitable For
  Indoor and Outdoor Applications

Teknik Bilgi

- Saf çimento, kuvars ve organik malzemelerden üretilmiştir.
- Polyester reçine, plastik gibi kimyasallar ve asbest içermez.
- Çimento esaslı olduğundan% 100 kokusuzdur ve sağlık riski yoktur.
- Hammaddesi gereği doğal olarak, A sınıfı Yanmazdır.
- Ana montaj yöntemi,yapıştırmadır , vida desteği yapılabilir.
- Marangoz aletleri ile işlenmesi ve kesilmesi

  kolaydır. Özel kendiliğinden yüzey koruması

  beton tozunu önler.
- Yüksek UV dayanımlı, suya dayanıklı.
- Panel Boyutu
  Kullanıma hazır beton panel
  Seri ürünler 60 cm x 120 cm
